INTERNATIONAL CONFERENCE
ON MOBILITY AND ENERGY**
KPIT SHODH AWARDS

Recognizing the cutting-edge research
in the Field of Mobility and Energy

KPIT Shodh Awards

KPIT Shodh Awards is an annual award program launched by KPIT Technologies to recognize and honor individuals and teams.

The award is intended to promote research and development in the fields of mobility and energy. The awards are offered in the form of a cash prize for advanced-stage research.

4TH KPIT Shodh Awards

Why participate in KPIT Shodh Awards

Chance to win awards upto 10 lac

Showcase your ideas at the International level

Opportunity to Network with Industry

Discuss your ideas with experts

Opportunity to learn about the latest technology

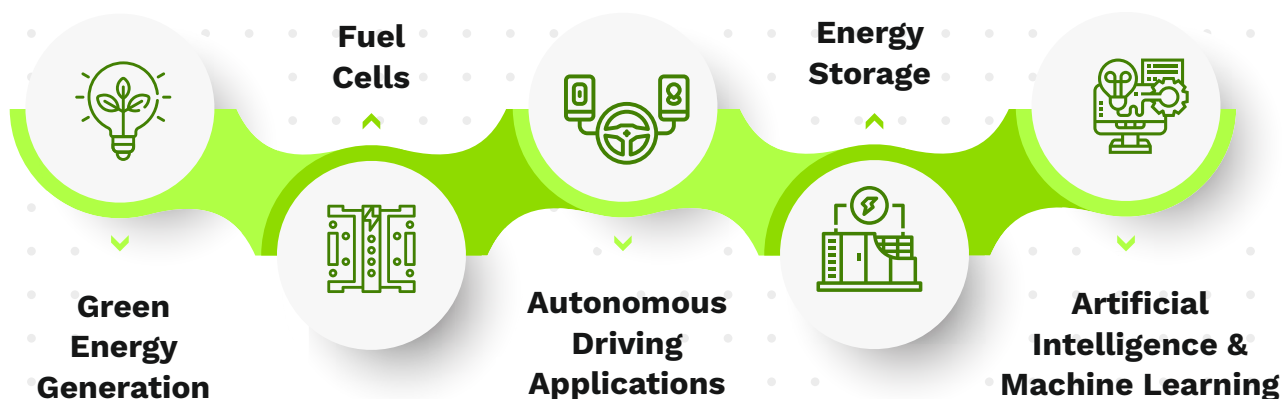

Who can participate?

- PhD students and working professionals across the globe
- Thesis should be submitted, defended, or awarded during the period between - April 2022 to March 2023
- Thesis should be related to any of the following areas - Energy Storage, Fuel Cells, Autonomous Driving Applications, Green Energy Generation or Artificial Intelligence and Machine Learning
- Participants who have completed less than 2 years of Research are eligible only for a "Poster Presentation"
- Participants should register & submit their thesis positively by 15th February 2023

Categories for Thesis Submission

Participants can submit a synopsis of the thesis for below-mentioned topics

Timeline

Annual KPIT International Conference on Mobility & Energy is divided in three phases

Phase 1
9th Dec'22
- 15th Feb'23

Registration and Thesis Submission

The first phase includes registration and thesis submission. Participant(s) whose thesis is Submitted, Defended or Awarded between April 2022 and March 2023 are eligible to participate.

Phase 2
Feb'23

Thesis Evaluation and Finalist Selection

In the second phase, the submitted theses shall be evaluated by a team of experts from Industry and Academia to shortlist finalists for KPIT Shodh Awards.

Phase 3
March'23

Conference and KPIT Shodh Awards

Shortlisted finalists shall present their theses and Posters during the conference. Juries shall judge the theses presentation and poster for the "Best Thesis Award" and "Best Poster Award" respectively. The conference shall host eminent speakers and panel discussions on various research areas related to Mobility & Energy.

KPIT Shodh Awards: Prizes

THE MOBILITY CHALLENGE

1.5 Lakh

THE CLIMATE CHALLENGE

1.5 Lakh

BEST THESIS AWARD ENERGY STORAGE

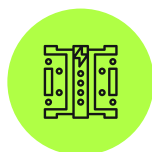

01 Lakh
for Researcher

30 Thousand
for the Supervisor

BEST THESIS AWARD FUEL CELLS

01 Lakh
for Researcher

30 Thousand
for the Supervisor

BEST THESIS AWARD AUTONOMOUS DRIVING APPLICATIONS

01 Lakh
for Researcher

30 Thousand
for the Supervisor

BEST THESIS AWARD GREEN ENERGY GENERATION

01 Lakh
for Researcher

30 Thousand
for the Supervisor

BEST THESIS AWARD ARTIFICIAL INTELLIGENCE & MACHINE LEARNING

01 Lakh
for Researcher

30 Thousand
for the Supervisor

BEST POSTER AWARD

25 Thousand
for 1st prize

15 Thousand
for 2nd prize

10 Thousand
for 3rd prize
